Shana,

Confirming, October 8, 2019 at 9:00 a.m. in Shamrock, Texas. We don't think there is a need for two separate downloads. Either your expert can download and agree to share with us, or ours can download and share with yours. We will have a Rule 11 Agreement for a release of the tractor and trailer after then inspection occurs.

The tractor and trailer are currently being stored at:

Irish Truck Repair
209 I40 E.
Shamrock, Texas 79079

We will also confirm October 17, 2019 at 10:30 a.m. This inspection will be performed by Brent Munyon.

Please let me know if you have any questions or concern.

Thank you,

Martha Posey

Good morning, Mr. Sargent and Martha.

This will confirm Tuesday, October 8, 2019, works for the inspection and download of the Stone Truck Line vehicle in Shamrock, Texas. We would suggest a 9:00am start time, but will await your confirmation of the start time that morning and the exact location. Also, as mentioned in my e-mail below, please let us know if we should plan on two separate downloads or if you would prefer splitting the cost of one download.

Also, Thursday, October 17, 2019, works for the inspection of the Leighty motorcycle in Goliad, Texas. This inspection can begin as early as 10:00am, but if you would prefer it to be a little later in the day to accommodate for morning travel, please let us know. The warehouse is located on Mr. Sahadi's ranch and the address is as follows:

13422 U.S. Highway 59 South
Berclair, Texas 78107

This location is a ranch with a warehouse facility on US 59, midway between Beeville and Goliad, Texas. The coordinates are: 28 degrees 33'01.11" N and -97 degrees 33'34.37" W (entrance). If you put the above address into GPS, it should take you right there.

We look forward to hearing from you confirming the inspection start times, the address for the October 8th inspection, and your thoughts concerning the download.

Thank you. Shanna

Mr. Sargent and Martha: I will confirm the inspection dates tomorrow. In the meantime, is it your intention for both your folks and ours to perform a download of the Stone Truck Line vehicle or did you want to have

one download and split the cost?

Thanks, Shanna

I spoke with Scott Altman and he's available October 8,9,10 and 15,16.

Do any of those dates work for you all and Mr. Munyon?
